About Me

I am a PhD student at EPFL working under the supervision of Prof. Pascal Frossard. My research interests cover improving machine learning methods in terms of efficiency, reliability and generalization. Currently I am mainly interested in post-training model adaptation, editing and merging techniques.

Education

Feb. 2023 - Present
PhD. in Computer Science (EDIC fellowship program)
École Polytechnique Fédérale de Lausanne, Switzerland

Sep. 2020 - Feb. 2023
M.S. in Electrical Engineering (with Specialization in Data Science and Systems)
École Polytechnique Fédérale de Lausanne, Switzerland
GPA: 5.60 / 6.0

Sep. 2016 - Jun. 2020
B.S. in Electronic Information Science and Technology
University of Electronic Science and Technology of China, China
GPA: 3.99 / 4.0; Ranks **1st / 188**

Professional Experience

Feb. 2023 - Present	**Doctoral Assistant** at EPFL, Majored in Computer Science	Lausanne, Switzerland
July. 2025 - Oct. 2025	**Student Researcher** at Google Deepmind, Machine Learning Intern	Zürich, Switzerland
Mar. 2022 - Sep. 2022	**Machine Learning Intern** at Oracle Labs, Machine Learning Intern	Zürich, Switzerland
July 2019 - Sep. 2019	**Research Intern** at Chinese Academy of Sciences, High Energy Institute	Beijing, China

Awards and Honors

2026	**Top Reviewer Award**, by NeurIPS
2023	**EDIC PhD Fellowship**, by EPFL
2020	**Excellent Graduate Award**, by UESTC
2020	**Excellent Alumni Award**, by School of Physical Electronics, UESTC
2019	**Meritorious Winner in MCM** (International Mathematical Contest in Modelling)
2018-2019	**National Scholarship of China** (highest-level scholarship across China for academic achievements.)
2018	**Excellent Award for Student Projects**
2016-2020	**Undergraduate Academic Excellence Scholarship**

Extracurricular Activities

2024	Attended Cambridge Ellis Unit Summer School on Probabilistic Machine Learning
2018	Attended Winter Program in National University of Singapore on Software Development
2017	Attended Summer Program visiting University of Oxford and University of Cambridge
2016-2020	Member of Students Union of UESTC
2016-2020	Various voluntary activities; Awarded 'Outstanding Volunteer in UESTC'
2016-2018	Class Monitor
2016-2018	Member of football team of School of Physical Electronics; Won Second Prize in Football Cup of UESTC

Teaching Assistant Experience

- Machine Learning
- Information, Computation and Communication
- Object-Oriented Programming

Software Skills

- Python, PyTorch, TensorFlow, Keras, Pandas, etc.
- Conda, Git, etc.
- LaTex

Languages

Chinese:	Native
English:	Fluent, TOEFL iBT: 112 / 120
French:	Elementary (EPFL course)

Personal Interests

Football, Skiing, Traveling, History, Cinema
